Education

Experience

Working Experience :

- Part Time Internet Café Operator at Atlantis Internet Café (2014)
 - I work at Internet Café, so I work to keep the costumers and maintaining Cafe's Computers
- Part Time Financial Administrator at Universitas Kristen Satya Wacana (2016)
 - I was recommend by my teacher to do this job. My campus was doing some migration system, so my job there was inputting some transaction record to the new system.
- Internship at Dinas Pendidikan Kota Salatiga (2017)
 - At the time I work at Dinas Pendidikan, there was a transfer of registration system from manual to online registration. So me and my team have to publish it to teachers of middle school on Salatiga. And on the registration day, I become a super admin to help managing data.
- Teacher Asisstant (2015 - 2017)
 - I want to feels how to work as a Teacher, so during college I always registred as teacher asisstant every trimester.
- Front End Developer (July 2018 - Now)
 - Im working as Front End Dev at PT Solusi Untuk Negeri. I build some web using Angular and TypeScript. For mobile APK, im using ionic.

Organization Experience :

- 2nd Secretary of Himpunan Mahasiswa Progdi D3 TI, 2015-2016
 - Besides become teacher asisstant during college, I was become 2nd Secretary of Himpunan Mahasiswa Progdi D3 TI. I have to make some of proposal and make some accountability of some activities my Progdi do.
- Secretary of Kelompok Bakat Minat Kayon-Bit D3 TI, 2016-2017
 - When my peride as HMP secretary end, I become Secretary of Kelompok Bakat Minat on my Progdi. My jobs are similar as before, but there I more focus to the KBM.
